COVID RELIEF

31.01.2022

useful for them.

Today we gave 5 kg of rice per 100 families to the families of the poor laborers who survive in the brick kiln in and around Kumalam. We also provided mouthwash to poor students attending school. They enjoyed saying that it was very

HEALTH HYGIENE

12.2.2022

PSDS is organizing an event to distribute mouth wash to all the children in Schools in Kumalam. While distribution, a small session on health and hygiene was offered by our staff members.

WOMEN'S DAY CELEBRATION

6.3.2022

World Women's Day was celebrated on 06.03.2022 on behalf of our organization. Its leader explained that women should have access to social security, freedom and equality at the event. In addition, women expressed their views that all

women face many problems in the workplace and in the study, especially in families. They also said that women should work in all fields and express their talents without being in a narrow circle as in the old days. All the women who followed were given sarees. Eventually the dessert was served. All the women who attended went on to say that the festival has created a great awareness for women.

EVENING CLASSES IN KUMALAM

14.4.2022

Our organization is currently conducting evening classes in Kumalam village by providing free evening education to poor students. Students who dropped out of school are now doing well in studies. The villagers appreciated such an educational service and expressed their deep gratitude to our organization. It gives us so much joy.

MEDICAL ASSISTANCE

30.4.2022

PSDS provided medical assistance to Ms. Stella Marie, 34 years old woman belonging to blow poverty line who had been suffering from uterus disorder. It has been diagnosed that there is a tumor in the uterus that needs to be surgically removed. Because of this, they sought the help of our organization. PSDS realized the need for her medical treatment and provided financial assistance. She thanked us wholeheartedly for the financial help she received from PSDS.

SUMMER CAMP

26.05.2022

The training camp provided training in painting and sports to develop the individual skills of the students. Summer training was conducted by our society to develop their writing and artistic skills. The students enthusiastically participated in the training and displayed their

talents. Finally they were given biscuits and sweets and the training was completed with specialty. All undergraduate students reported that it was very helpful and enjoyable. We are very happy that the student is very helpful to express the individual talents of the students through such training.

Independence day Celebration

15.08.2022

On the occasion of the 75th Independence Day of our country, an Independence Day function was celebrated in Kumalam School of our institution. At that time, all kinds of traditional arts programs like speech contest, song contest, dance contest were held to honor the freedom martyrs. The function was ended with flag salute. In the end, students were given free notebooks, general papers and writing materials. Sweets were also served. 100 students participated in the program.

Note Books distribution

09.09.2022

On 9.09.2022 the students studying in Kumalam and Pullichapallam village Evening class of our organization were given free notebooks, stationery materials and necessary educational equipment. As a result, the literacy percentage of poor students is increasing. All the poor and backward people living in the village have appreciated the services of our organization as the literacy percentage has increased in the schools run by our organization. This satisfied our organization.

Children Day

14.11.2022

Children's Day is celebrated on 14th November every year across India. It commemorates the birthday of Jawaharlal Nehru, first Prime Minister of India who was fondly called Chacha Nehru because of his love for children. The day emphasizes the importance of giving love, care and affection to children.

Children's day was celebrated in our institution along with evening school students. Students showcased their talents in singing and dancing. Finally the students were congratulated on Children's Day and given cakes and sweets. All the students were very happy and excited for their efficient performance in academic success.

On 23.12.2022, Christmas and New Year celebrations were celebrated with school students in Kumalam and Pulichappallam villages. Then they were served cake and sweets. We gave them advice and wished them a Happy New Year and their academic development and excellence. Everyone enjoyed wishing each other a Merry Christmas

and a Happy New Year. It was a festival to develop religious spirit among the students.
